

# HELP THEM ON THEIR JOURNEY TO THEIR FUTURE

with SmartTrain

As this is a fully-funded government programme, there is no financial cost to you. We are looking for employers who would be willing to offer a placement to our learners so they can complete their unpaid work experience.

## What's Involved for us

We provide young people with the opportunity to learn the skills needed to start employment such as;

- CV Writing skills
- Job Search and Application Skills
- Interview Skills
- Digital Skills
- English and Maths

This is a government funded programme

## What's Involved for you

We ask that you provide a work placement for 20 hours per week over a 23 week period so they can;

- Gain Real Work Experience
- Gain Confidence
- Improve their Communication Skills
- Have fun
